Emergency Assistance

Bruce Puphal presented the club with the opportunity to purchase air ambulance coverage through the Fire Safe Council. The coverage is provided by Air Med Care, a large company that is merging both REACH and CalStar into their company. The annual cost is \$55.00/household and the coverage is good for all of Air Med Care's service territory that includes much of the country. Bruce will bring applications to the next meeting.

Fundraising for Anniversary Celebration

Anthony/Chris

Anthony Halby discussed a special fundraiser for our March Meeting if enough of the members will participate. It will be a special raffle sometimes referred to as an "instant wine cellar." Each member brings a bottle of their favorite wine and all the bottles will be auctioned off in a winner take all auction. The cost of tickets will be \$20.00 each. Most of the members approved of the idea and it was proposed that it be called "March Madness." All the proceeds will go to pay for some special surprises during our 10th Anniversary Celebration. Chris Megenity has volunteered to co-ordinate all of our special fundraisers for the Anniversary Celebration. We are planning to do something at each meeting and event including 50/50 raffles, a bake sale and another special raffle (alcohol may be involved). If you have any fun ideas, please contact Chris.
