Sunshine Report

Bruce

Gary Hill had a 14 day stay in the UC Davis Hospital and our club just happened to be visiting the Ronald McDonald House for a tour during that time. So, our group took the shuttle over to the hospital to visit Gary. We happened to meet him coming out of the elevator, in his hospital bed after having a bunch of tests. We all had "Visitors" stickers on from the Ronald McDonald House which we promptly plaster all over Gary.... He was glad to see us.

TREASURER'S REPORT - Nita Jacobsen

Past Events

Ronald McDonald House-June 24th(Fri) Bruce reported that we met at IHOP for breakfast. Then caravanned down to Sacramento for a wonderful tour of their facilities and lots of information on the the House in run, who benefits, and how it is funded. We were able to give them our soda can pull-tabs that we've been collecting. Online they have a wish list of items needed for the families staying at the facilities. Any of these items would be a welcome gift. Bruce would like to add this charity to our charities list for the drawing.
