Sept 19 Mystery Run Julie & Gary Suzuki led us on the beautiful back roads toward the Sierras, with a stop at Donner Ski Ranch for lunch.

Oct 3 Wise Villa Winery event Dale Durrett reported on this run, set up by Ron Nevis. Dinner was enjoyed by those who made individual reservations (otherwise the restaurant required a huge fee and limited menu options for a "group").

Oct 10 Newbie Dinner "*Welcome to the Club*" This dinner has been hosted by Scott & Cyndie Purdy for last 4-5 years to welcome our newer members as a way to get to know the BOD and their fellow corvetters. The new members attending were Swasey, Merril & Katie Grant, Mark Frederick, and Bruce & Kim Ulrich, with Rick Utermoehlen and Kathie Van Zandt, Dale & Jennifer Durrett, David & Debbie Franklin, Steve & Kym Johnson, Mary Jayne and Paul Emmons, and Doug & Brenda Leonard. Hosting were Scott & Cyndie Purdy. If you are new/newer to our club and haven't attended a "Newbie Dinner", please let either Debbie Franklin or Scott Purdy know. We wouldn't want you to miss out on this fun evening.

Committee Reports/Upcoming Events

Dale Durrett

October 16 Begin Event Planning---Dale began the process establishing our 2025 event calendar, and wanted everyone to think about where they would like to go. Most especially, which events they would like to lead. If you are anxious about leading an event or don't know how to start, there are several other members that are willing to either help you or co-run the event. We need everyone in this to keep our club as fun as possible. Why have a corvette if it isn't on the road?!

Sacramento Trip—Cathy & Ray Shepherd gathered checks to pay for the Nov 16th run to the Old Town Sacramento Museum and underground. At the time of this writing, you should have received an email from Cathy confirming your spot. She is also taking a wait list for this event.

Toys for Tots was discussed by Cathy Shepherd. Previously both she and Bonnie Reifel co-led this event, so several options will be put forth. Look for an email before the Nov general meeting.
