

To all potential members

Welcome!

As a Corvette club, we do many of the activities you might expect such as touring and racing but we are involved in many other things as well. Realizing that the first thing we have in common is our Corvette, having fun and building friendships run very close seconds.

Introduction

High Sierra Corvette Club (HSCC) was started September 2007. We currently have over 80 members and growing each month.

Membership

Membership in the club is restricted to Corvette owners and enthusiasts. Membership dues are \$75.00 **First Year Only**, \$50 per year for Renewals. To join our club, turn in your completed HSCC membership application (copy attached) and a check to the Treasurer - and you're in.

Meetings

Club meetings are held monthly on the third Wednesday (except in December) at Casa Las Katarinas in Grass Valley. The meetings begin at 6:00 p.m. Arrive early if you want to eat dinner before the meeting.

At the meetings, club business is conducted, various committees report on their activities, past events are covered briefly and upcoming events are announced.

50/50 Raffle. A 50/50 Drawing is held at the end of every meeting. 50/50 raffle tickets are sold before the meeting starts. Anyone attending, including guests, may purchase raffle tickets. The winner keeps 1/2 of the amount collected and the other 1/2 goes to the club's raffle donation fund to support local charities.

Throughout the year, HSCC members have opportunities to take part in a wide variety of activities related to Corvettes, or sometimes just to get together for socializing and having fun. Activities include tours, attending and entering car shows, parades, game night and social gatherings like our annual club picnic and the December Holiday Dinner.

We strive to have many activities scheduled throughout the year with one or two functions per month. Here are **some** examples of past events:

Class for Beginners on how to run your Corvette through an auto cross course
