NEW ITEMS FOR DISCUSSION:

- FEEDING PETS OF THE HOMELESS (see attachment #1)

BRUCE PUPHAL

- Bruce drove over from Reno to talk about "Feeding Pets of the Homeless" in Reno and provided a brochure about this Reno Program. It was much appreciated that Bruce drove the distance in the rain to come over to discuss this in the meeting. Bruce would like to help develop a similar program in Nevada County. It was discussed that the food/donation would stay in Nevada County. He asked if our club would be interested in driving our cars to a TBD location and collect pet food. Bruce would be in charge of taking all that is collected to three organizations (Animal Save, Hospitality House,, Pets In Need (aka:NCPIN), Advertisement- Radio/Community). This would be a first year try on the 1st Saturday August 2026. This is a Nationwide program since 2008. A vote was taken and the majority approved in doing this.

- EMERGENCY ASSISTANCE LIST

CATHY SHEPHERD

- Cathy discussed that there are 11 Households in Nevada County and 1 Household in Placer County that volunteered to be an Assistance Household during a disaster (fire,etc) for our Corvette Club members. She mentioned that everyone should have a copy in possibly their car in case of emergency. Becky expressed appreciation for Cathy putting this together.

- DISCUSSION AND PLANNING 2026 CALENDAR EVENTS (see attach #2) JIM AUMOND
